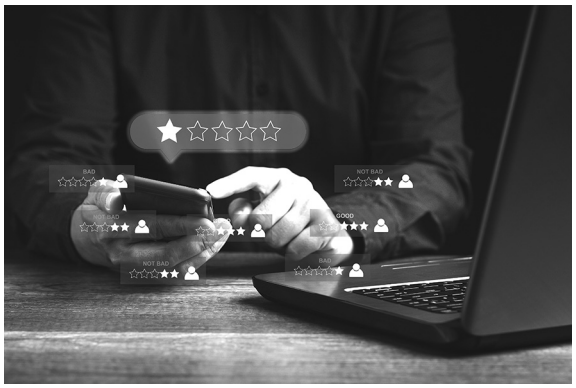
You have read the following:



By Emilia Miller-Scott
8:17 a.m.

Reviews are everywhere. Everybody can write reviews about everyone and everything these days: restaurants, hotels, online stores, apps and even doctors. I have stopped reading them. Most of them are either too critical or too good to be true.

You have decided to comment.

In your **comment** you should:

- give reasons why reviews are helpful
- analyse problematic aspects of reviews
- suggest ways to prevent fake reviews

Write around **250 words**.

Notes (these will not be marked)
