

The European Youth Forum (EYF) has published survey data about youth participation in various organisations in Europe. As part of an international class project, you have been asked to compare the EYF's data to data you collected in your school.

In your **report** you should:

- compare the results of the surveys
- examine reasons why many young people are not in any organisation
- suggest ways to make organisations more attractive for young people

Divide your report into **sections** and give them **headings**. Write around **400 words**.

**Notes (these will not be marked)**
