

In your holidays, you work for InterConnect, an international organisation offering gap year programmes. They are trying to find out about Austrian teenagers' plans after finishing their A levels. You have been asked to write a report based on data from 14,672 European teenagers from InterConnect and on the results from a survey conducted in Austrian schools ($n = 2,216$).

In your **report** you should:

- present the data from the surveys
- evaluate the results
- suggest how InterConnect can promote their gap year programmes in Austria

Divide your report into **sections** and give them **headings**. Write around **250 words**.
