

The organisation *European Health* is worried about teenage health. To address the problem the organisation has started a project in schools. Your school has collected the information below on what Austrian students do.

You have been asked to write the report on these findings.

In your **report** you should:

- present the data
- give reasons why teenagers should look after their health
- suggest ways to motivate teenagers to stay healthy

Divide your report into **sections** and give them **headings**. Write around **250 words**.

**Notes (these will not be marked)**
