Safety Flyer

General Safety Instruction Workshop

All visitors and operatives must report to site office first!

You always have to wear goggles

Check the manual first

Take on safety boots.

Protect you head.

Smoking is not allowed.

Unauthorized personnel prohibited beyond this point.

Switch off your mobile phone.

Don't drink water from the tap.

Here you find a fire extinguisher.

In case of fire, use this phone.

Emergency exit this way!

Your first aider is Peter Miller located in office A407.

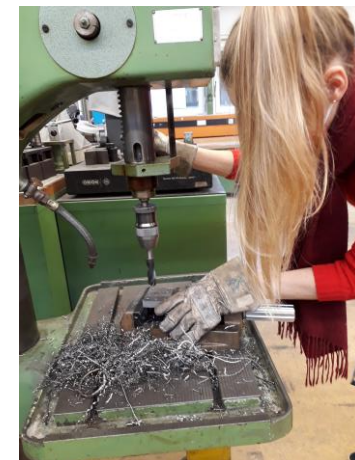

Personal Protective Equipment

Safety Signs

Create a safety flyer and use it for instruction!

Start

Project:
Do a safety instruction using your own safety flyer!
